

Free Propagation Class

Learn how to turn one plant into many!

Join Collin County Master Gardeners for this FREE public event and learn the art of plant propagation—simply put, it’s like making free clone plants for your garden! Take cuttings from our beautiful Myers Park Research & Demo Garden to see them flourish in your garden.

Oct. 6 9-11 am

The Pole Barn @ Myers Park
7117 Co Rd 166,
McKinney, TX 75071
(By Myers Office)

What You Can Expect:

- Expert-led demonstrations on stem cutting techniques
- A guided tour of our perennial garden to select plants
- Hands-on experience in taking and “sticking” cuttings
- Q&A session and extra cuttings to take home

What You’ll Need To Bring: (see webpage for more information)

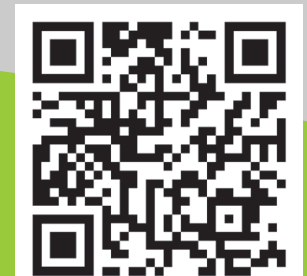

Your own moist soil-filled container • Sharp nippers • Wooden pencil
Wagon (optional) • Extra containers for any bonus cuttings
